

## Five Bears Teacher Activity

### Teddy Bears Picnic

CfE: Technology & Mathematics and  
Numeracy

The bears in the story enjoyed spending time with their friends. Have a teddy bears picnic with your friends and cuddly toys. Talk about what you have made or what you'd like to eat. You can have real food or use toy food at your picnic. Choose some music or songs to sing at the picnic with your friends. You can also talk about sharing and dividing the food between your friends and cuddly toys. You may also want to use additional symbols, picture cards or digital images to help.
