

10 Dogs Teacher Activity

Pet Survey

CfE: Mathematics and Numeracy

How many people in your class have a pet animal? What kind of pet do they have? The story is all about dogs, but there are lots of different pets that someone might have at home. Find out how many of your classmates have a pet and what animal (s) they have? Count how many of each animal your class have. You may also want to use additional symbols, picture cards or digital images to help.

Vocabulary

Multiple message system (Go Talk 9+ or low-tech symbol board)
