

# One Goose Two Moose Teacher Activity

## Ice Cream Survey CfE: Mathematics and Numeracy

How many people in your class like ice cream? What flavour of ice cream do they like? The story is all about waiting to buy an ice cream. Ask your classmates if they like ice cream and what flavour is their favourite. Record and count which flavour is most popular. You may also want to use additional symbols, picture cards or digital images to help.

### Vocabulary

Multiple message system (Go Talk 9+ or low-tech symbol board)
