

## **Give Wash-bot a scare! Activity (Robot Rumpus)**

### **Ideas for Use:**

Talk about the different scary animals that live in water, using the symbols to help the pupil. Would the animals want to eat a robot? What kinds of food do they really eat? Discuss whether some of the foods are ones that we eat too. Which animals does the pupil find scary or friendly? Try to link the symbols/words to create simple sentences if possible e.g. shark eat mammals, I eat fish.

### **Vocabulary**

Multiple message system (Go Talk 9+ overlay or low tech printable symbol board)

<b>Picture Label</b>	<b>Message</b>
