

Find out about different forms of transport

Activity for The Station Mouse

Ideas for Use:

Encourage your pupils to think about different ways to travel. Talk about how they get to school, go on holiday or go to town at the weekend. Also think about how these forms of transport get around. Do they go on the road, track or in the sky? Talk about favourite forms of transport or ones that the pupils don't like, or which form they use most often. Extension activities might include exploring the features of each form of transport. Which ones have wheels, wings, windows or seats? You could use picture cards or digital images to look at real examples.

Vocabulary

Multiple message system (Go Talk 9+ overlay or low tech printable symbol board)

Picture Label

1. I choose
2. that looks good
3. do you like it?
