

My First Book of Sea Creatures Teacher Activity

Design your own Sea Creature

CfE: Art and Design

You have found out about lots of sea creatures in the book. There are many other mysterious creatures living in the sea that we don't know about. Design your own sea creature, using art and craft materials in the classroom. What do they look like? What size are they? What colours are they? What do they sound like? You may want to use additional symbols, picture cards or digital images to help.
