

Cast a magic spell!

Activity for Mouse's First Night at Moonlight School

Ideas for Use:

Encourage the child to pretend they are a witch or a wizard and discuss the order that the child might say/do things in the 'cast a magic spell' role play, using the symbols to help i.e. they need to decide what they are going to turn a partner into, then choose the ingredients for the potion and then get the person to drink it! Try to link the symbols/words to create simple sentences if possible e.g. jelly, worms, into the cauldron, let's give it a stir.
